REMSONIAN '71

"to every thing;
turn, turn, turn
there is a season;
turn, turn, turn
and a time
to every purpose
under heaven"

Every year I am requested to put together a principal's message for our yearbook. Every year I find myself in a quandry as to something new or different to say. Most of the things I could say are trite and have been said hundreds of times. It occurs to me that as long as we have energetic and optimistic youth we have a well spring from which we may draw much needed leadership for our future. Our yearbook staff and the students they represent have done an excellent job and deserve a large "WELL DONE."

Sincerely,

Donald M. Cousineau

Donald M. Cousineau

Through the past five years that Mr. Michael H. Gibbons has been at Remsen Central School, he has willingly given us his time and energy in both extracurricular activities and academic functions. As a teacher he has given us the value of knowledge, as a friend he has been someone who would listen to our side. For these reasons, we, the class of 1971 dedicate this Remsonian to Mr. Michael H. Gibbons.

"A time to build up,
a time to break down,
a time to dance,
a time to war,
a time to gather stones
together."

GO PLACIDLY AMID THE NOISE AND HASTE AND REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE BE ON GOOD TERMS WITH ALL PERSONS. Speak your truth quietly and clearly. Listen to others, even the dull and ignorant, they too have their story. Avoid loud and aggressive persons; they are vexations to the spirit. If you compare yourself with others you will become vain and bitter for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs for the world is full of trickery. But let this not blind you to what virtue there is. Many persons strive for high ideals and everywhere life is full of heroism. Be yourself. Especially do not feign affection . . . Neither be cynical about love, for in the face of all aridity and disenchantment it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. You are a child of the Universe—no less than the trees and the stars. You have a right to be here. And whether or not it is clear to you, no doubt the Universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive him to be and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Found in Old St. Paul's Church, Baltimore, Md. 1692.
